

# Camp-Out @ Hillary's Primary School

Dear All,

The focal point for the Hillarys Primary School 'The Fathering Project' recently changed and is now Stephen Kretschmer who has three children at the school in grades 1, 4 and 5.

For those that don't know, the Fathering Project <http://thefatheringproject.org> is a relatively new organisation setup to assist/guide dads to become better fathers through education and interaction.
