It's great to be back after a recent shoulder procedure. My apologies if you were trying to reach me during my absence.

SCHOOL BOARD MEMBER

Nominations are now closed for a new School Board member from the parent community. There were three (3) nominations in total. The nominee statements are attached for your benefit. Also attached is the **VOTING SLIP**. It would be appreciated if the voting slip could be filled out, placed in an envelope and returned to the class teacher or the front office by **3:00pm Tuesday 14th March**.

BOARD MEETING

The recent Board meeting saw a guest presenter in Andrew Watt (Creating Communities) deliver a synopsis on the school community creating a new vision for the school. This means that the wider community will have input into what the school will look like over the next 5 years or so and your input will be sought into this vision. Watch this space!

P&C POSITIONS

Please be aware that the P&C AGM will be held early in Term 2. All positions will become vacant at that time and hence the P&C will be looking for community members to assist in these positions. A critical position to be filled will be the PRESIDENT, as the current President will need to step down. The P&C cannot run without a president and it is hoped a suitable person can step up to this position. It could be you! Please do consider how you can help out your child and that of the greater community at Hillarys Primary. A reminder too that the canteen is always looking for volunteers to assist when it reopens over a week in Term 2.

RADIO LOLLIPOP - FREE DRESS DAY (GOLD COIN DONATION)

Hillarys Primary School is participating in the Radio Lollipop Free Dress day on Wednesday 15th March. Funds raised from this event will help kids access the radio station and ward visiting program at eight hospitals around the State. These services provided by volunteers give a sense of normality to children in hospital.

UPDATE STUDENT INFORMATION

Could you please keep your information updated with the front office? This includes any changes of address, telephone numbers, visa details, court orders or medical information.

ASSEMBLY

The next assembly is Friday 10th March. It will be hosted by Year 1, B4.

Ron Chesny, Principal

In-term Swimming lessons for PP - Year 2 students

Pre-Primary to Year 2 swimming lessons will commence on Monday, 24th April and continue through to Friday, 5th May, excluding ANZAC Day 25th April - nine lessons in all.

This means swimming lessons start on the first day back in Term 2.

We need to have all money and notes organised before the last week of this term.

Notes will be sent home today.

Please return your completed forms and payment by **Friday, 31st March.**

DOLPHIN CAFÉ

Just a friendly reminder that the school canteen will be open for recess and lunch orders on FRIDAYS ONLY, until further notice.

Thank you 😊

Swimming Squad Selection Trials

Please note trials for the interschool team will be held at this week's training on Tuesday 7th and Thursday 9th March at Greenwood Senior College. All students wishing to be selected are required to attend at least one of these sessions. Attendance on both days is highly recommended to give your child the best chance of performing well for selection. Please ensure your child has 2 towels (and a jumper if it's a cooler day) as we want them to keep warm as they wait under the shelters whilst other races are being conducted. Remember there will be NO session at Craigie this Wednesday.

Swimming Squad remaining training sessions

Week	Tuesday- Greenwood	Wednesday- Craigie	Thursday- Greenwood
6	7.3.17- Yes		9.3.17- Yes
7		15.3.17- Yes	
8	21.3.17- Yes	22.3.17- Yes	23.3.17- Yes
9		29.3.17- Yes	30.3.17- Yes

Please take note of the sessions in week 9. These are slightly different to what has been advertised as we were able to secure Greenwood pool for Thursday afternoon.

Multiple Physical Education Event Permission Slip

As a way of reducing handling of paperwork for parents and staff, we are trialling a Multiple Excursion Permission slip for Physical Education events this year. This will cover all physical education events where students from year 3-6 are required to travel to a different venue. It is important to remember that these are selected events and therefore not all students will be required to go to each event. Signing the form does not mean your child has been selected. Information notes outlining specific details including any payment which may be required, will be distributed to the selected students before each event. Please have these returned to **classroom teachers by Friday 17th March**.

KIDS MATTER

C3 conducted a very informative assembly on Friday 17th February outlining the KidsMatter framework which helps schools to support their students and take care of their mental health needs. Mr Andrew Barrett, from the Principals Australia Institute, was a guest at the assembly and he spoke about the success that Hillarys PS has achieved in completing our KidsMatter accreditation. We are one of only seven schools in WA to have reached this milestone. He told us how he regularly uses Hillarys PS as an example for other schools embarking on the same journey and made note of how welcome the students and staff make him feel whenever he visits the school. We were thrilled to have Mrs Fran Fallows back at the school as well and Mr Barrett made special mention of the wonderful leadership she provided in working through all the components to complete the accreditation.

Japanese Club

Japanese club starts again this week for those wishing to explore Japanese culture. This will take place every Thursday at lunchtime in the library. Every week a variety of activities will be available including origami, manga, calligraphy, Japanese games and crafts.

Sensei Says

All students have started the year with a keen and positive attitude. In the first two weeks, we have focused on setting goals, getting organised and revising our Japanese greetings and numbers.

The older students have had the opportunity to learn how to input Japanese characters on the computer and make their own cover pages and name cards.

They have also used shodo (calligraphy) to learn the kanji for Japan (Nippon).

The younger ones have starting their topic of Japanese celebrations learning about the Bean Throwing Festival and the Dolls Festival. The Year Three girls will celebrate on Tuesday 7th March with their dolls at a special picnic. Coming up soon, a more concentrated effort on learning hiragana and giving a short presentation about friends and hobbies.

Parent Corner News

The Parent Corner is located opposite the library and is available for use by parents and families as a space to relax, meet with others and share ideas. Coffee and tea is available and there are a number of resource books which can be loaned. The Kidsmatter Action Team will be meeting soon; please watch this space for further news, information and updates.

School Banking day is Thursday

Remember, Thursday is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

School Banking is also a great fundraiser for our school, raising 5% on every deposit made through the school (to a maximum of \$10 per individual deposit).

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on the next School Banking day. We will issue them with a replacement.

CHOOSE RESPECT

RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

Thank you for supporting the School Banking program at Hillarys Primary School. We would also like to thank the wonderful parents who volunteer as our School Banking Co-ordinators and process our banking every week.
