CONVERSATION CAFÉ

Last week the School Board hosted a dinner/conversation for 90 parents. Thanks to all who attended and for the terrific input provided! The results of the conversation will be reported to us by Creating Communities (facilitators) within the next couple of weeks. The Board will, in due course, provide a response to the wider community.

KINDERGARTEN 2018

We are now inviting enrolments into Kindergarten and Pre-primary for 2018. Applications for Kindergarten children have a **closing date of Friday 21st July**. Application forms are available from the front office or on the school's website <http://hillarysps.wa.edu.au/wp-content/uploads/2014/06/2014-ENROLMENT-FORM-UPDATED-VERSION.pdf> Please pass on the message.

SCHOOL CROSS COUNTRY

This Friday the children will be participating in the school's cross country event. We have a starting time of around 10am for the year 1's to 4's and 11:20am for the year 5's to 6's. This is a rough guide only. Hope to see you there.

OPEN NIGHT and BOOKFAIR

Next week on Wednesday 21st June we will be holding our annual Open Night and Bookfair. Classes will be open from 6:00pm and will close at 7:00pm. Please remember that it is a time for your child to tell you about the work they're doing and for you to see that sensational work. Although in attendance, teachers will not be available to talk with individual parents about their children.

LIGHTNING CARNIVAL

This annual event is scheduled for Friday 23rd June and will take place at Kingsway Reserve commencing at 9:30am. Our Year 5's and 6's will participate in Netball, Modcrosse, Football and Soccer. I'm sure they will acquit themselves very well as they have in the past. Go team Hillarys!!

ASSEMBLY

Our next assembly for the term is **Thursday 22nd June** (due to the Lightning Carnival the next day) and will be hosted by Year 5 C1. Hope to see you there.

Ron Chesny, Principal

Conversation Cafe

On behalf of the School Board I would like to thank everyone that attended the recent 'Conversation Café' facilitated by Creating Communities. There was a lot of discussion, great food and a few laughs too. Important information was gathered from everyone that participated, this will be collated and used to inform future directions of the school and will culminate in a School Vision. The new business plan and targets will reflect the Vision. I'd like to acknowledge the caterers, Lot 1 Kitchen, a new local business that provided a delicious meal. Thank you to Janene Heron for organising the evening and the Administration team who oversaw proceedings.

Power Pack News

We have had a fantastic turnout for Power Pack over the last couple of weeks with between 40-60 students at each session. There are obviously a number of "eager beavers" keen to get some extra training for the Faction Cross Country being held this Friday.

There will be a session Wednesday afternoon as usual but not Friday morning as we will be setting up and we want the students to be fresh for their races.

Faction Cross Country- Friday 16th June

At this stage it looks like the weather is going to be kind to us on Friday. Races will begin on the oval at 10am with the Year 1 students and then progress through the year levels. Each event will take between 5 and 10 minutes. As a **rough guide only** we are aiming to race the Year 1-4's between 10 and 10.45 (recess) and then complete Year 5 and 6 between 11.15 and 12pm. Please be aware that although we will endeavour to keep to this agenda, there may be unforeseen circumstances which require a change of plan. Please be aware that **we cannot be held to these times**. Students are reminded to wear their faction shirts, shorts/skirts and suitable running shoes. No tracksuits please. Family members are very welcome to come and cheer but please be mindful of where you stand: in particular, please leave the start and finish lines clear for the runners and the judges. Everyone who finishes earns valuable points for their faction.

Lightning Carnival - Friday 23rd June

Year 5 and 6 students have been trying out for the teams for the upcoming Lightning Carnival. Selections will be finalised in the next few days and, once complete, those selected will be receiving an information note. If your child receives a note could they please return the payment section with payment by Monday 19th June? Parents and family members are encouraged to attend the event and all the relevant details are on the note.

LIFE EDUCATION K - YEAR 2

We are excited to let you know that we will have a visit from the Life Education caravan in the last week of this term. All classes from K to Year 2 will be participating in the interactive programs offered by the educator. A note will be coming home next week with details of this program.

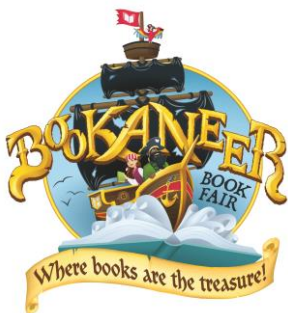

'Life Education' provides a unique learning experience for children instilling in them the skills needed to make informed decisions about their health and wellbeing. 'Life Education' believes that it is never too early to educate children about healthy lifestyles and wellbeing.

'Life Education's' school programs support children's learning and development for a safe and healthy lifestyle, through the opportunity to engage in play-based, experiential and interactive experiences to foster their health and well-being, building on their mental, physical and social foundations.

Modules completed in the sessions will be supported with pre and post classroom activities.

Parents are invited to visit the Life Education caravan to find out more about the topics covered by their children during the sessions and to meet the Educator for an informal chat. You are welcome to visit the van at any time during the parent session. Further information re visit times will be forwarded shortly.

Host a Japanese Student in October

Thanks to the support of the families in our school community we ran a very successful cultural exchange program at Hillary's Primary last October in conjunction with Gold Intercultural Learning. Gunma Kokusai Academy will visit us again this year from October 16th through to November 1st. All students in Year Five and Six may apply and will be matched according to gender, and where possible, by age and interests. Our visitors will accompany host students to their regular classes and interact with them and their friends at recess and lunch. Host families will receive a hosting payment to cover expenses. Any queries can be directed to For Jason Hutchinson, the Program Manager of Gold Intercultural Learning (GIL) on 9444 7687 or 0417 773 846 or email at homestay@goldil.com.au or Mrs Kennedy.
