Students came down to visit the stall manned by some of our school’s amazing P&C members and mums to browse and buy a gift of their choosing for their special someone on Mother’s Day.

Most of the children visited with their buddies and it was so wonderful to see the children interact with each other so well. They were all very excited about their “in school” shopping experience and were extremely polite and well behaved a real credit to the school.

The stall raised a huge $1379!!!!!!!

The P&C Association wish to thank you all so much for your generous support. Funds raised will be donated by the P&C Association towards the purchase of new Junior Choir shirts and ICT equipment, also exciting projects such as a library upgrade and Nature Play area.

THANK YOU

Alison McRedmond for Co-ordinating the fundraiser on behalf of the P&C Association and to all the volunteers who helped run the successful stall.

Also to all the class teachers and aides your positivity and help was wonderful!

Thank you Thank you Thank you!
