Hurray for Lapathon Day!

P&C Associations “GOOD WEATHER” request granted, a glorious afternoon was enjoyed by all.

Friday 5th June 2015 saw students from Pre-Primary to Year 6 participate in our annual P&C Lapathon Fundraiser.

5 minutes before the start of the event it was great to see students, under direction of their class teachers, limbering up for the task ahead.

Mr. Deere called the students to their starting points and at precisely 1:30pm music began to play and Lapathon 2015 was underway!

With great enthusiasm the students set off, lap cards in hand, many aiming to beat their lap count of the previous year.

It was wonderful to see so many parents supporting everyone and encouraging ‘just one more lap’ from their children!

Younger siblings who had come to watch couldn’t resist joining in and running around with their big brother or sister.
The hour quickly passed by and soon it was all over. Many pink but happy faces could be seen heading back to class to collect their sponsor form ready for the fun part - collecting their well-earned sponsorship monies from family and friends.

An enormous $12062.82 raised!

Thank you to the students without whom the Lapathon would not be possible.

Thank you to Julie, our P&C member who co-ordinated the event.

Thank you to the teachers and staff for their invaluable assistance.
LAPATHON RESULTS

A Few Facts & Figures:
Distance of the Internal lap (Pre-Primary to Year 2 students) — 200meters
Distance of the External lap (Year 3 to Year 6 students) — 300meters
Most laps completed — Pre-Primary = 34 / Year 1 = 44 / Year 2 = 44 / Year 3 = 45 /
Year 4 = 38 / Year 5 = 36 / Year 6 = 36.
The most sponsor money raised by an individual student - $1176 AMAZING!

Can you spot your feet?

Matinee Movie Success!

The first weekend of the school holidays saw the P&C committee organise and host some good old-fashioned fun with a movie screening of “Minion” at Grand Cinemas at Whitford City on Saturday 4 July.

It was a fabulous way to bring our school community together, raise some $$$ to fund projects around the school and watch a movie that appealed to an audience of all ages. We sold 249 tickets by 2nd July and the funds raised was $786.44!

There were four lucky door prizes and the following children’s names were selected and their prize delivered over the holidays:

1st - Sam S (A1)
2nd - Chloe D (B1)
3rd - Jasmine P (B2)
4th - Abbey B (C5)

Thank you to all who purchased a ticket through Flexischools to attend the fundraiser and came along for the laughs! It definitely was an experience not to be missed…

During the last P&C meeting the topic of Allergy Awareness within the school was discussed, including methods to highlight the issue around our school.

The outcome of this discussion was to place visual reminders on classroom doors. You may have noticed the Allergy Awareness signs around the school recently. These have been designed and posted by Proactive P & C members to remind the school community of the dangers and risks some of our students face daily.

**Hillarys Primary School is an Allergy Aware school.** Being allergy aware means being informed about allergies and their triggers.

It is not to exclude any foods from your childs lunch box, but rather to encourage “awareness” and consideration for those who suffer food allergies.

**Currently there is no cure for food allergies.**

**Junior Choir Shirt**

*P&C Donation*

The Junior Choir recently took delivery of some new shirts. Thanks to a donation of $1044 from the P&C Association.

Kaila & Hannah wear their new shirts.
Thank you!

To all who have already paid the 2015 P&C Contribution.

So far the P&C has received **$6860** in Contribution Fees for 2015.

The P&C plays an important role in providing additional resources and materials for our students.

The P&C contribution, whilst voluntary, is vital to ensure the forward progression of our school.

The P&C contribution also contributes to the operational costs of the P&C such as Affiliation Fees, Public Liability and Volunteers personal accident insurance, administration and office costs.

To be able to assist the P&C in meeting these costs and providing additional resource for the benefit of all our students, the P&C is requesting parents to pay a P&C Contribution of $20 per child.

It is not too late to pay your Contribution Fee.

Welcome to School Banking for Term 3.

I’m starting this newsletter with a thank you.

To each and every one of our school banking students, old and new.

It is with your support and enthusiasm that we have reached over 100 students participating in this program.

A special thank you to the 28 students who banked every week during Term 2. Well done one and all!!

We have two competitions running this term.

Commonwealth Bank are giving away loads of prizes. To be eligible make three deposits during Term 3, at school banking. More information is posted on the community news board.

We will also be running a questionnaire competition just for our Hillarys students. This will be around mid term, stay posted for more info to come.

Remember every deposit made also gives our school a commission. Last quarter we received a total of $371.20. That’s a super effort.

So far this year we have raised $654.86 for our school. That’s already more than last year’s grand total!!

A friendly reminder that we are still in the Art room, every Friday morning from 8:15 am till 8:45 am.

Last but not least.

I’d like to announce the winners of our Term 2 Frequent Saver Competition.

Congratulations to ..........Tiago and Isabella. I look forward to presenting you with your prizes.

Until next time....

Happy banking super savers!!
