KISS AND DRIVE/PARKING
A number of reminders regarding the traffic in and around the school before and after school.

1. Once again we have an issue with the Kiss-and-Drive. PLEASE do NOT park in this marked area in the morning or particularly in the afternoon. It is quite simply, a discourtesy to fellow parents who follow the rules of the Kiss-and-Drive.

2. Please be mindful of the parking restrictions around the school.

3. The staff car park IS NOT an appropriate place to park you vehicle as we do not allow children to walk through the 2 designated staff car parks for their safety.

4. It is not appropriate to park your vehicle behind the angled parking bays within the school grounds. This is a safety hazard for children and for cars attempting to reverse out of the bays.

I thank you in anticipation.

HOAX
As you are aware, the school received a hoax call (recorded message) last Friday. The emergency procedures that were followed were commented on very highly by the police that attended. It should also be noted that later in the day I received notification that the alleged perpetrator had been arrested. Hopefully this will put an end to the multiple hoaxes received in Australia and abroad over the last 2 weeks.

LIBRARY
Our revitalised library is now 95% complete (under stage 1) with many dollars injected by our wonderful P&C Association. A huge thank you to the mums, dads and staff offspring who contributed to the painting, cleaning, construction and replacement of various items in the library. It looks fantastic! A special mention to Mrs McMorran and Mrs Clare, our dedicated library coordinators on a job well done.

P&C PRESIDENT
Sue Abbott, our long serving president will be stepping down at the end of this term. Her child no longer attends Hillarys Primary. We do need a replacement in order for the P&C to function. If there is no president...there is no P&C! Please read the attached document from Sue and ask, “Maybe I can be the P&C President?”

ON-ENTRY TESTING
Each year, mandatory testing of Pre-primary students is conducted. This testing is about to commence again. The main purpose of the program is to provide teachers with an opportunity, early in the year, to collect information on the essential literacy and numeracy skills and understandings of each child in their class. This will assist your child's teacher to develop informed and intentional teaching for play-based programs, designed to foster each child's learning, reflective of individual needs.
EAGLES
Last week we had 3 representatives from the Eagles attend the school and talk to the children about exercise and good eating. The children were very much a captivated audience and I trust some of them came home and considered what they would eat for dinner! Thanks to Mrs Armstrong who actually is a Dockers supporter!

SWIMMING LESSONS
A reminder to all parents that Year 5 and 6 swimming lessons commence on Monday 29th February.

ASSEMBLY
Our next assembly is scheduled for Friday 26th February and will be hosted by C6 and A1.

YEAR 6 CAMP
This is scheduled for 27th April to 28th April inclusive (2 nights). The camp will take place at Ern Halliday Recreational Camp in Hillarys. This is always a great experience for the children and provides that additional bonding of the group in their last year of primary school. Details regarding the camp will be forwarded shortly.

Ron Chesny, Principal

Sensei’s News
Welcome to a new year of Japanese. All students have started the year with a keen and positive attitude. In the first two weeks, we have focused on setting goals, getting organised and revising our Japanese greetings and numbers.

The Older students have had the opportunity to learn how to input Japanese characters on the computer and make their own cover pages and name cards. The younger ones have starting their topic of Japanese celebrations learning about the Bean Throwing Festival.

Japanese Club
Starting in week 3, this year we will be having Japanese club for those wishing to explore Japanese culture. This will take place every Thursday lunchtime in the library. Every week a variety of activities will be available including origami, manga, calligraphy, Japanese games and crafts.

Kennedy sensei looks forward to seeing you there.

Scholastic Book Club Reminder
Please have your Issue 1 orders in my c.o.b Tuesday 16th February 2016.
All classrooms and teachers have been updated, so please scroll through to find your classroom to ensure on time delivery.
If you have any further enquiries, please don’t hesitate to contact Renae Ottey on 0409 377 985

When a student is absent from school
It is a requirement of the Department of Education that any student who is absent from school needs a note, email or telephone call to provide an explanation of why the student was away.
Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away.
Parents can ring the school on 93076365 or email hillarys.ps@education.wa.edu.au
The Asthma Friendly Schools Program is an initiative of the Asthma Foundation. This year, we are working towards achieving Asthma Friendly status, so we would like to make sure we are aware of all students who are currently dealing with asthma. If we don’t have a record of your child’s asthma management plan, please complete the Student Asthma Record attached to the newsletter and send it to the office by Monday, 29th February.

School App- Tiqbiz
We’re pleased to inform you that we have just launched a school app. The school will be using the app to send out the school newsletter, general updates, reminders, events and much, much more! The app is called tiqbiz and is available on iPhone, iPad, iPod, Android Phone, Android Tablet and Windows phone devices.
If you don’t have a mobile device, there is also an app available for computer, both Mac and PC.
We kindly ask that you download tiqbiz to one of these devices, register a free account then find and tick the school.
When you are ticking the school boxes, please make sure you tick on “Whole School” and the specific grades/years that apply to your family.
You’ll receive all the information with a push notification - much like a text message directly to your device. Any last minute changes or reminders, we’ll be able to reach you to keep you completely informed and up-to-date.
The app has some great features that will allow us to get information through easily and quickly, you’ll be reminded about important calendar dates 24 hours before, and everything we post can be translated into one of 91 languages!
You will also be able to submit student absence via the app now, authorised by your signature, electronically signed straight onto the screen with your finger!
We hope you will enjoy using this great communication tool.
KIDS MATTER - How Parents and Carers Can Help:
Parents and carers scaffold children's learning by leading and coaching them towards coming up with their own answers. This shows children how to learn, and makes it more likely that they will succeed. The next time your child asks for help, you might try some of the following ways to scaffold thinking and learning.

- Ask them to think through alternatives: “That would be one way, what’s another way we could try?”
- Provide support for thinking through difficult tasks: “Let’s have a think about this together.” Ask them to explain the steps
- Help children to plan their approach: “What is it that we need to do?”
- Ask them to review their steps so far: “Tell me more about what you have already tried.
- Help children who are stuck by breaking the task into smaller steps.
- It’s a good idea to ensure the first step involves something that children can already do. This way they will experience success early which helps their confidence.
- Be sure to provide praise for completing each step as they work through a task.
- Guide children step-by-step to build their skills so they can eventually complete the whole task on their own.

Parent Centre:
Through Kids Matter, we are focusing on the Parent and Carers Module. Under the leadership of Nina Hart, a centre for parents and carers to meet is currently being established. This area is in the old art room opposite the library and is being refurbished to create a space for parents to meet, enjoy a coffee and use the resource section which will be available to parents and carers. The P & C is generously funding this initiative. Further information will follow shortly.

Kids Matter Action Team:
The Kids Matter Action Team meets approximately twice per term. The committee is made up of school staff, parents and carers and community members. We would welcome parents and carers to join with us in the implementation and management of the Kids Matter initiative. Please contact the school office to register your interest. Meetings are usually held on Friday mornings.

Parent Representatives:
Ideally each class at Hillarys should have a nominated parent representative who undertakes the role for one year. The Parent Rep will liaise between the class teacher and the parents. The role may be tailored to accommodate the availability of the rep. As part of building a positive school community it is important that new families are welcomed into the school community. Please consider taking on this role if your child’s class does not already have a rep and if interested, please contact your child's teacher.
**Merit Awards**

*Congratulations to the following Merit Award recipients at the Assembly held on 12th February 2016.*

Wanneroo Modcrosse Club
Penistone Reserve, Greenwood

Modcrosse is fast fun for girls and boys aged 5-13. Modcrosse is a modified version of Lacrosse and is a non-contact sport. Modcrosse is played at many primary schools throughout Perth. Come and join a family friendly club and play a great sport.

* Full season registration only $120. Use own stick or hire one for $25/season. We also have sticks for sale. All other equipment, including team shirts, supplied for Modcrosse games. Training and skill development by top Lacrosse players is Included.
* Games played from 8.30am – 9.30am at Penistone Reserve Greenwood
* Season starts 30th April 2016
* We would like to form one or more teams from Hillarys Primary. We already have team coaches for the teams and they have many years’ experience with Modcrosse as players and coaches. Both are past students of Hillarys Primary and have coached your interschool teams.

Wanneroo Modcrosse Club is registered for Kidsport.
Email modx@wanneroolacrosse.com or call 0401 330 357 (Dennis) for more details or to request a Registration Form.
For up-to-date information find us on Facebook or visit our website at www.wanneroolacrosse.com.

Wanneroo Lacrosse Club acknowledges the generous assistance provided by the City of Joondalup in providing a Sports Development Grant to aid in the running of school clinics within the City.
1-2-3 Magic and Emotion Coaching Parent Course.
To help manage difficult behaviour in children 2 to 12yrs.
All 7 to 9.30pm.
**WEMBLEY $180pp or $340 per couple**
