

## EASTER HAT PARADE

It was great to see so many parents and grandparents at last week's parade in the B Block undercover area. The children thoroughly enjoyed the parade and there were some outstanding "creations" adorning heads! A highlight was the child/parent "dance". I was able to take a few photos and **indeed a video** of the interaction and have decided to only publish a photo to protect the innocent (none of those being children)! Additionally, I trust that the whole Easter experience was a terrific family affair.

## PARKING

I have had contact with the City of Joondalup who have advised me that they now have scanning technology fitted to unmarked vehicles that will record number plates of cars parked illegally. Part of the use of these vehicles will be utilised around schools. Additionally, the City rangers have the authority to fine illegal users of disabled bays irrespective of where they are located (including schools). Thank you to those parents that provide the safest options in and around the school roads.

## TIQBIZ MESSAGES

You will have noted that 2 messages were sent via TIQBIZ recently. Whenever an alert is received by the school that may affect Hillarys PS children you also will receive that alert. Please note that the information that the school receives is often not much more than is passed on to you. Please do have those regular chats with your children that are referred to within the message.

## SWIMMING CARNIVAL

Our students will be participating in an Interschool Swimming Carnival this Friday. It will be held at Greenwood College. The carnival commences at 11:00am and concludes around 2:30pm. We wish our competitors the very best. Go Hillarys!!

## SCHOOL CAPTAINS

A big congratulations to our 2016 School Captains in Jess H and Ethan T. I have no doubt they will represent the school very well this year.

## SCHOOL PHOTOS

School photo days are scheduled for Monday 4<sup>th</sup> April and Wednesday 6<sup>th</sup> April. Information regarding photo purchasing is included in this Newsletter. Please see below.

## ANZAC ASSEMBLY

Our annual ANZAC Assembly will take place on the last day of term, Friday 8<sup>th</sup> April. Commencement is at 9:00am. I hope to see many parents there.

## Term 2

A reminder that term 2 commences on Tuesday 26<sup>th</sup> April, the day after ANZAC Day. Finally, I would wish everyone a relaxing and safe school break. See you all back in late April.

Ron Chesny, Principal

### **Students Arriving too Early for School**

We have a number of students choosing to arrive very early at school.

Parents are advised that unless there are special circumstances, students should aim to arrive between 8.30 and 8.45. (unless involved in a before-school program)

Please help us by not letting your child/ren leave too early for school.

## THE RAINBOWS PROGRAM - 2016

During Term 2, the Rainbows Program will be offered to those children experiencing separation because of family breakdown, death of a loved one or separation due to immigration. Students will be placed in age appropriate groups and work through topics such as self-esteem, why my family, facing fears and worries, forgiveness and endings and beginnings. Trained staff members will facilitate the groups. The program operates for 12 weeks and concludes with a 'Celebrate Me' party. Each session is approximately 40 minutes long.

If you would like your child/children included in Rainbows, please email the school: [hillarys.ps@education.wa.edu.au](mailto:hillarys.ps@education.wa.edu.au) to register your interest. Please include the child's name, year level and class.

## Kindy Garden

Mr Coufos and his earthlings have been working hard with the kindy children on Tuesdays.

The children helped to make a "sweet potato maze box" for classroom observation. *Will the sweet potatoes be able to pass through the maze inside the box and find their way to the light?* The children are learning that plants need water and light to grow, as well as a lot of LOVE.

This week the children helped prepare the soil for our vegetable patches. They had to sift the old soil to remove the roots and add healthy compost ready for the planting. The kindy children LOVE gardening!

## EDU-DANCE K - 6

Following the success of the Edu-Dance program last week (for Years 3 - 6) we have once again invited Edu-Dance to the school to conduct interactive dance sessions for all students from Years K to 6.

Edu-Dance lessons will be held in the undercover area and are an important aspect of the Health and Physical Education and The Arts learning areas. The dance program is adapted to meet the differing ages of the students and will be conducted by professional dance teachers. Class teacher supervision will also be provided.

It is a creative hip-hop dance program designed for primary school students and has been developed in Perth. It provides children with the opportunity to be part of a fun and energetic dance program within our own school community. The program fulfils aspects of the Australian Curriculum: Physical and Health outcome requirements (Dance) for students, as well as providing a focus on coordination, musical appreciation and self-confidence. Most importantly it is promoted as a program for fitness and fun. Further information about the program and video clips of school performances may be viewed on the Edu-Dance website

<http://www.edu-dance.com.au/index.php/our-program>

Lessons will be conducted over a nine week period in Term 2. Each lesson is of approximately thirty minutes' duration.

A note will be sent home today giving further details of this fantastic program.

## KIDS MATTER - Giving Choices

• **Giving Choices** Giving children choices helps them learn the skills for responsible decision making. It allows them to feel part of decisions that are made and to understand that the ways they behave are under their control. Letting children make (some) decisions and praising their responsible choices supports the development of positive social values.

It is important to offer choices that are appropriate for the child's age and abilities. You might, for example, offer children a choice between two different household chores. Choices can also be used to reinforce standing rules. For example: "Remember that homework needs to be done before you go to your friend's house. You can choose to do your homework now and go to your friend's house later, or you can choose to relax now and do your homework later, but not go to your friend's as well." For more information on children and choices see the KidsMatter Primary resource on *Helping children make decisions and solve problems*.

• **Being consistent and applying consequences** Logical consequences relate directly to the behaviour or situation. For example, if a child is using a toy inappropriately or dangerously, a logical consequence would be to remove the toy. If children are arguing over what to watch on television, it could be turned off. Logical consequences work best when you explain clearly and calmly why you are imposing the consequence, "You are not playing safely with that toy, so I will put it away now until after dinner." Children respond most positively when the consequence is applied for a short time only and is followed with an opportunity for children to show they can behave appropriately, with your support and guidance. Be sure to acknowledge the appropriate behaviour with praise.

### HILLARYS "PARENT CORNER"

Hillarys "Parent' Corner" will have its grand opening after the Anzac Day assembly on 8th April in its new location in the old art room. All visitors to our assembly and members of school community are welcome to join us for this occasion.

Our vision has been to create a safe, judgement free space for parents that not only nurtures connection between the school and parent community but also within the parent community.

We've been working to transform this corner into a warm, inviting space with a feeling of home, filled with a growing list of parenting books, inspiration on the walls, and Kids Matter resources at your fingertips.

You're invited to come in and grab a coffee or tea and enjoy the Hillarys "Parent' Corner." It's a wonderful space that will continue to evolve.

Many thanks go to the P&C for funding this project. -  
Nina Hart on behalf Hillarys PS KidsMatter Action Team.

### When a student is absent from school

It is a requirement of the Department of Education that any student who is absent from school needs a *note, email or telephone call* to provide an explanation of why the student was away.

Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away.

Parents can ring the school on 93076365, email [hillarys.ps@education.wa.edu.au](mailto:hillarys.ps@education.wa.edu.au) or through Tiqbiz.
