

P&C REQUEST

The canteen is in desperate need for volunteers. Should there be no volunteers coming forward the P&C may be forced to reduce the number of days that the canteen will operate. If you think you may be able to assist, please contact Louise Roche on 0417970189.

WEATHER

Now that the colder weather seems to have settled in, please ensure that your child's clothing is marked. There can be those days where they remove a jumper and it gets "lost". Identification makes it all that much easier.

TRAFFIC

Please be mindful about the traffic conditions around the school, particularly when it is raining as the wet weather increases congestion.

FOOTPATH

I appreciate that it is now legal to ride on footpaths. Please have a quiet word with your child regarding safety and watching out for younger children around the school.

SCHOOL CANTEEN SURVEY

Could you please complete this quick 5 minute survey regarding the school canteen via the following link [Hillarys Primary School Canteen Survey](#). This will be available until Wednesday 1st June.

REMINDER

Friday June 3rd is a Pupil Free Day (teachers have professional development) and Monday June 6th is WA Day.

STRANGER DANGER

Just a simple reminder to parents to have a chat to their children regarding being approached by strangers and what action to take. As I have stated before, we do get the occasional messages from the Regional Office with these reports.

Students Arriving too Early for School

We have a number of students choosing to arrive very early at school.

Parents are advised that unless there are special circumstances, students should aim to arrive between 8.30 and 8.45. (unless involved in a before-school program)

Please help us by not letting your child/ren leave too early for school.

KIDS MATTER

Anxiety and Mental Health In Children:

Fearful and anxious behaviour is common in children.

Most children learn to cope with a range of normal fears and worries. However, extra help may be needed when:

- Children feel anxious more than other children their age and level.
- Anxiety stops them participating in activities at school or socially
- Anxiety interferes with their ability to do things that other children their age do easily.
- The fears and worries seem out of proportion to the issues in their life.

When children become anxious more easily, more often and more intensely than other children, they may be diagnosed with an anxiety disorder. The most common anxiety disorders in children of primary school age are Phobias, Generalised Anxiety Disorder and Separation Anxiety. Research shows that between two and nine per cent of children and adolescents in Australia have anxiety disorders.

Early assessment and professional support for children's anxiety difficulties is most beneficial. Psychological supports are very helpful for anxiety. For children whose anxiety is less severe, school-based social and emotional learning programs that build resilience and coping strategies can be very helpful.

When a student is absent from school

It is a requirement of the Department of Education that any student who is absent from school needs a *note, email or telephone call* to provide an explanation of why the student was away.

Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away.

Parents can ring the school on 93076365, email hillarys.ps@education.wa.edu.au or through Tiqbiz.

RUN FOR A REASON

Last weekend a number of our students and family members took part in "Run For a Reason".

We would like to highlight one of our students who took part for the first time. Kayden R (B5) was curious what the event name "Run For a Reason" meant and after some consideration, he asked his parents if he could run for kids with asthma, just like him. Kayden ran the entire 4km and raised \$603.50 for the Asthma Foundation of WA. Great job Kayden.

CONGRATULATIONS

Congratulations to Bevan L of C6 for being placed FIRST in the Multicultural 2016 WA Youth Talent Quest, Individual Music Category for Primary School Age.

PARENT CORNER NEWS

We are officially open!

A big thank you to everyone who came in for the special opening to see how the Parent Corner is evolving. Our vision has been to create a warm, inviting space that nurtures connection between school and community and within the parent community as well.

It's come a long way since the beginning of the year. We've cleaned up the walls, added some rugs, furniture, and coffee machine. We now have 25 book titles with a range of helpful parenting topics for you to check out. We also have a community directory with over 70 websites and numbers for questions and/or support with parenting, FIFO families, eating disorders, career development, depression, mindfulness, women's services, stepfamilies, and so many others relating to mental health. It's a great starting point when looking for answers.

Currently, the room is used for the Rainbows Program (for children experiencing grief), the Mentors Program, parent/teacher meetings, committee meetings, **AND NOW THE ROOM IS OPEN FOR PARENTS TO HAVE A COFFEE AND CATCH UP WITH ONE ANOTHER ON FRIDAY MORNINGS AFTER DROP OFF UNTIL 10am.** In the near future we would like to invite guest speakers in for parents and your feedback on what topics are of interest would be much appreciated. Feel free to put feedback and any suggestions into the box in the Parent Corner. If you would like to use the room for other school related meetings, have a look at the schedule just inside the door to the room for times that are available.

We are looking to fill the shelves with parenting books and invite you to bring any gently used books that you would like to donate to the Parent Corner and we will have a box to drop them in.

The Parent Corner will continue to grow and change with time. We are excited and grateful that it has come this far in a short amount of time. We thank the P&C for funding this project and we really hope you use and enjoy the space.

Many thanks from the Kids Matter Team

The P&C is excited to Fundraise with the Entertainment Book!
