Students Arriving too Early for School

We have a number of students choosing to arrive very early at school.

Parents are advised that unless there are special circumstances, students should aim to arrive between 8.30 and 8.45. (unless involved in a before-school program)

Please help us by not letting your child/ren leave too early for school.

KIDS MATTER

Anxiety:

A first step in helping children gain some control over anxiety is recognising when it occurs and how it affects them.

- **Model helpful coping:** show children with anxiety how you use helpful self-talk in a difficult situation. (e.g. "this looks a bit scary, but I'll give it a go")
- **Discourage avoidance:** sometimes when children say they feel sick, they are describing feeling anxious. It is important children do not avoid things like school or homework unnecessarily.
- **Praise having a go:** encourage children with anxiety to attempt new things and praise them for trying, emphasise trying rather than success.
- **Introduce challenges gradually:** begin with small challenges that children can meet. e.g. if a child is afraid of dogs, start by walking past a house when a dog is barking.
- **Start Small:** help the child choose goals for becoming braver and to take small steps towards achieving them. Celebrate each success.
- **Practise coping skills:** help children talk about problems and support them to come up with possible solutions.
- **Try not to get angry:** if a child refuses to do something even after you have encouraged him/her, it may simply be overwhelming at that time. Sometimes you need to back off and praise the child for doing as much as he or she could. Later, try again.

We would like to congratulate our first Principal's Award winner for 2016: Kane B. B5

Cultural Theme for Kindy 3

The children in K3 have been talking about the different family cultures in the classroom. A big thank you to all the families that have shared the important aspects of their culture. We have had parents share about Australia, England, Armenia and India. There are still a lot more to come.

When a student is absent from school

It is a requirement of the Department of Education that any student who is absent from school needs a *note, email or telephone call* to provide an explanation of why the student was away.

Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away.

Parents can ring the school on 93076365, email hillarys.ps@education.wa.edu.au or through Tiqbiz.
