

INTERSCHOOL CROSS COUNTRY (ICC)

Well done to all of our athletes who participated in last Friday's ICC. Five year levels were won with all students representing our school impeccably.

STUDENT CENSUS

The school census for semester 2 takes place this Friday. It is very important that your address and contact details are accurate. If you know they have recently changed and you're not sure if you have notified the school, please contact Sonia in the front office.

SWIMMING LESSONS YEAR 3/4

Swimming lessons commence before the next Newsletter on Monday 15th August. Please ensure your child attends with all the appropriate requirements on the day. The bus will leave the school at approximately 12:35pm.

SCIENCE WEEK

Next week heralds the start of Science Week, conducted by Ms Walmsley. The topic for this year is "Droids, Drones and Robots". There will be a number of wonderful activities for the children, both in the class and during the breaks.

OLYMPICS

With the Olympic Games set to begin within the week there is lots of excitement in the classes. Many classes will engage in a wide range of activities related to the once every 4 years event. I look forward to the activities to be presented.

P&C MEETING

The next meeting is scheduled for tomorrow night commencing at 7:00pm in the library.

ASSEMBLY

Our next assembly is scheduled for Friday 12th August and will be hosted by A4 and A5.

Ron Chesny, Principal

Where will you be in 2017?

With changes to staffing procedures, it has become increasingly important for schools to have accurate information about projected student enrolments as well as contact information. We thank all families that have completed and returned the forms indicating their intentions for next year and confirmed contact information. If you haven't done so already, please send details to the school office. Anyone considering a move to a new Primary School or enrolling in Year 7 for next year should have made plans and contacted the school to ensure they are planning staffing and rooms for your child's arrival. Kindy applications have officially closed and planning is underway to allocate places. Please advise the school if your circumstances change between now and the start of the school year in February 2017.

Mobile Phones at School – Parents please help

We are getting far too many mobile phones being brought to school.

A mobile phone should only be brought to school by a student if that student needs to contact a parent after school.

Otherwise we ask that students do not bring mobile phones to school.

SENSEI'S NEWS

Host a Japanese Student

Once again students from Gunma Kokusai Academy in Japan will visit us this October and we are looking for families to host a student. A detailed letter has come home with students in Year Five and Six.

In-term Swimming lessons for Yr3 and Yr4 students

Year 3 and Year 4 swimming lessons will commence on Monday, 15th August and continue through to Friday, 26th August. Please return your completed forms and payment ASAP.

PE NEWS

Interschool Cross Country

Congratulations to our victorious cross country team who successfully defended their title last Friday and McDonald Reserve. After a number of weeks training hard our team managed to win five of the eight year level pennants as well as the overall shield. Well done to everyone on a top effort and also your fantastic sportsmanship and behaviour on the day.

Power Pack

Starting this week, Power Pack Fitness Club will be conducted on Thursday afternoons from 3-3.35pm. This session is open to any student from year 2-6 who would like to join in the fun. Activities will continue to have a fitness aspect as well as a focus on some athletics events in preparation for the athletics carnival later this term. Please note there are no early morning sessions this term and if it is raining the sessions will not be held.

Students Arriving too Early for School

We have a number of students choosing to arrive very early at school.

Parents are advised that unless there are special circumstances, students should aim to arrive between 8.30 and 8.45. (unless involved in a before-school program)

Please help us by not letting your child/ren leave too early for school.

Reminder: School Based Academic Extension test for Year 7 2017 will be held at Duncraig Senior High School on Thurs 4th Aug 2016 from 9am to 1pm.

KIDS MATTER

Mental Health Basics:

Things can happen in children's lives that make the risk of developing mental health problems more likely. It is usually not possible to eliminate all the risk factors that affect your children, but there are things you can do to reduce the impact of stress and help them build strengths for effective coping. The following suggestions identify the sorts of things you can do to support children's resilience in the face of challenging circumstances.

How You Can Help:

- Spend time with children by having fun playing games, going to the park or going somewhere together as a family.
- Try to maintain routines as much as possible. Routines and consistency help children feel secure.
- Build and maintain supportive relationships with family, friends and school staff. Tell staff about any concerning behaviour you are noticing at home.
- Try to help children to understand and manage their feelings; this can help them develop coping skills.
- Help children learn to cope with loss and change by providing support and reassurance, honesty and clarity. Help them also to understand that loss and stress are a normal part of life.
- Acknowledge children's feelings and try to understand and respect them, especially when they are going through a difficult time. Offer support and reassurance by asking questions and letting them talk about their feelings.
- Try to support children in building their internal protective factors (eg good communication and problem-solving and social skills) by acknowledging and encouraging their skills when guiding their behaviour.

Parent Corner News

Now Open!! Come in on Friday mornings after drop off to relax and have a cuppa with friends and browse the parenting book selection. A Kids Matter team member is also there for a chat or any questions. On Tuesday mornings from 8.45-9.20 Hillarys Primary Chaplain, Vanessa Nichols is there to chat with parents and get to know our community, so stop in and say hello. If you're looking for space to have a school related meeting, check the schedule inside the room for availability.

Parent Corner feedback:

As a mentor on Wednesdays, just want to say how much we appreciate having such a nice area to sit in for morning tea. Well done.

This is your space, we hope you enjoy it!

We would like to congratulate our Principal's Award winner: Blathnaid Mc B3

Merit Awards

Congratulations to the following Merit Award recipients

When a student is absent from school

It is a requirement of the Department of Education that any student who is absent from school needs a *note, email or telephone call* to provide an explanation of why the student was away. Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away. Parents can ring the school on 93076365, email hillarys.ps@education.wa.edu.au or through Tiqbiz.
