

SENSATIONAL

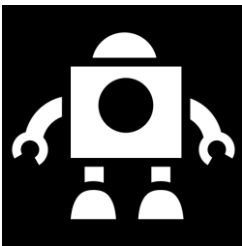

We have recently been informed that 3 of our Year 6 students have been accepted into the GATE (Gifted and Talented Education) Program and 12 into the SBAE (School Based Academic Extension) Program at Duncraig Senior High School. Well done all 15 students!!

INTERSCHOOL CARNIVAL

Another superb effort by our students in last Friday's carnival. As always it was highlighted by the wonderful attitude of the students on the day. Congratulations to the individual winners and to our entire team coming away as WINNERS yet again. A special thanks to Mrs Armstrong and all other staff who prepared the students for the day.

CANTEEN

The canteen is desperately seeking volunteers to assist in preparation and serving. This is a terrific service provided for your child by the P&C and the efforts of so few. Please do consider a day a week (even for a term) now or at the start of 2017.

SCIENCE

There has been some terrific work happening in the Science den of late. Ms Walmsley has just hosted a scientist in the school from Fisheries and she has also taken possession of some robots. They will be programmed by the children in the coming weeks. The connection to Mrs Gorman and her coding work with the junior children is alive and well and between the two of them, we may very well be overrun by robots in the near future!

STAFF CAR PARK

Please do NOT park your car or walk your children through the staff car parks. One of the staff had a scare recently when a toddler scooted past the rear of her car as she was reversing. We do not want any accidents occurring through neglect!

SURFING

A reminder that surfing commences for the Year 6's this Thursday. This is always a highlight for the graduating students. Let's hope the weather stays fine too.

P&C MEETING

This is scheduled for tomorrow night and commences at 7pm.

ASSEMBLY

Our next assembly is scheduled for this Friday and will be hosted by Year 6, C4.

Ron Chesny, Principal

Mobile Phones at School – Parents please help

We are getting far too many mobile phones being brought to school.

A mobile phone should only be brought to school by a student if that student needs to contact a parent after school.

Otherwise we ask that students do not bring mobile phones to school.

Students Arriving too Early for School

We have a number of students choosing to arrive very early at school.

Parents are advised that unless there are special circumstances, students should aim to arrive between 8.30 and 8.45. (unless involved in a before-school program)

Please help us by not letting your child/ren leave too early for school.

Where will you be in 2017?

With changes to staffing procedures, it has become increasingly important for schools to have accurate information about projected student enrolments as well as contact information. We thank all families that have completed and returned the forms indicating their intentions for next year and confirmed contact information. If you haven't done so already, please send details to the school office. Anyone considering a move to a new Primary School or enrolling in Year 7 for next year should have made plans and contacted the school to ensure they are planning staffing and rooms for your child's arrival. Kindy applications have officially closed and planning is underway to allocate places. Please advise the school if your circumstances change between now and the start of the school year in February 2017.

PE NEWS

Interschool Athletics Carnival

Last week saw more than 100 of our students participate in the Interschool Athletics Competition over 2 days: Wednesday- Jumps and Throws, Friday- Carnival. Our students are to be congratulated on their excellent performances but more importantly on their dedication to training and their terrific sportsmanship and behaviour throughout the competition. A big thank you goes to the staff who helped train the teams and also to the parents who assisted in getting their children to practices before and after school when required. The final score after the 2 days saw Hillarys PS victorious with a score of 356 followed by South Padbury PS who scored 298.

Power Pack- Fitness Club

Power Pack will resume in Week 4 on Thursday 3 November and is open to interested students from Yr 1-6. The session will run from 3.00-3-30pm.

When a student is absent from school

It is a requirement of the Department of Education that any student who is absent from school needs a *note, email or telephone call* to provide an explanation of why the student was away.

Parents are asked to provide a note, email or phone call covering an absence immediately the student returns to school or in the event of a pre-planned absence, before being away.

Parents can ring the school on 93076365, email or through Tiqbiz.

CHOOSE RESPECT
RESPECT IS TO TREAT WITH CARE AND CONSIDERATION

Disco

The Hillarys Primary School
Halloween Disco will be held on;

Friday 28th October

PP, Year 1	4.30-5.30pm
Year 2,3,4	5.45 – 7pm
Year 5&6	7.15 -8.30pm

KIDS MATTER Cyber Safety

Encourage your child to:

- discuss with you if they have received cruel or threatening messages or messages with inappropriate content
- tell an adult if they stumble across something that is inappropriate or frightening
- treat others online with respect and do the right thing, just as they would in the world offline

Using the internet

- only access the internet in a shared family location, not in bedrooms
- treat passwords like toothbrushes and never share them with anyone
- discuss with you before giving out any personal information or signing up for anything online
- check with you before downloading or uploading files from YouTube or a file-sharing website
- abide by an agreed-upon schedule to prevent unlimited online access

Parent Corner News

Come in on Friday mornings after drop off to relax and have a coffee with friends and browse the growing book selection.

Check out something from Michael Grose:

*Working Parents: how to work, raise great kids, and have a life
Thriving! Raising exceptional kids with confidence, character and resilience
A man's guide to raising kids*

A Kids Matter team member is also there for a chat or any questions. On Tuesday mornings, from 8.45am-9.20am Hillarys Primary Chaplain, Vanessa Nichols is there to chat with parents and get to know our community, so stop in and say hello. If you're looking for space to have a school related meeting, check the schedule inside the room for availability.

This is your space, we hope you enjoy it!

Japanese at Hillarys - Sensei's News

Welcome students from Gunma Kokusai Academy

For two weeks we are hosts to eight students from Gunma Kokusai Academy. They are staying with local families and attending class with their hosting brothers or sisters, as well as enjoying excursions and joining our Japanese classes. Hillarys students are enjoying practising their Japanese and playing traditional Japanese games with our visitors.

Please say "Konnichi wa" Sou, Yuuki, Ruui, Sen,

Honoka, Momoko, Sen, Riko and their co-ordinator Shiho when you see them around the school. A very big thank you to our hosting families for making their visit possible and to our teachers and students for their co-operation.
