EDU - DANCE
PP - 6

Dear Parents,

Following the success of the program last year where we held interactive dance sessions for all students from K to Year 6 we are continuing this program for all students from year levels from PP – 6 in Term 1.
Edu-Dance is a creative dance exercise program designed to improve the students' levels of fitness and health, while encouraging them to enjoy the challenge of dance and have fun. This program for all classes culminates in a presentation dance to which parents are invited.

Edu-Dance lessons will be held in the undercover area and are considered to be an important aspect of the Health and Physical Education and The Arts learning areas. The dance program is adapted to meet the differing ages of the students and will be conducted by professional dance teachers. Class teacher supervision will also be provided.

It is a creative hip-hop dance program designed for primary school students and has been developed in Perth. It provides children with the opportunity to be part of a fun and energetic dance program within our own school community. The program fulfils aspects of the Australian Curriculum: Physical and Health outcome requirements (Dance) for students, as well as providing a focus on coordination, musical appreciation and self-confidence. Most importantly it is promoted as a program for fitness and fun. Further information about the program and video clips of school performances may be viewed on the Edu-Dance website
http://www.edu-dance.com.au/index.php/our-program

Lessons will be conducted over a nine week period in Term 1 commencing in Week 2. Each class will have a lesson of approximately thirty minutes' duration on Monday, Tuesday, or Friday each week.
As this program will form a part of our educational program for Term 1 we require all students from PP – 6 to attend. Cost for the nine week program will be $26.00 per student. If you have any concerns or queries about payment please contact the Registrar, Janene Heron to make payment arrangements.

Please sign the attached permission form and return by Monday 6th Feb 2017

Thank you,
Jenny Baynham
Associate Principal
