

Get involved in the School Banking program.

Hillarys Primary School is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2018 are:

- Handballs, Scratch pad, Glow light
- Flying Disc
- Glitter pens
- Heat-reactive pencils
- Slushie maker Cup

School Banking is also a great fundraiser for our school. Our school receives \$5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of \$10 per individual deposit).

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online

Visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account.

2. In branch

Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is Thursday 8.15-8.45 in the B Block under cover area in the old canteen building. Each week you need to ensure your child's deposit slip is filled out before banking with School Banking. All 7 fields below need to be completed:

1. Child's name
2. Child's School Banking student number
3. Child's Youthsaver account number
4. Date
5. Amount in coins, notes and/or cheques
6. Total amount of deposit
7. Total amount of deposit (input into the "Add this deposit" field)

The image shows a Commonwealth Bank of Australia 'Deposit' form. The form is yellow and white with a black border. It includes the bank's logo and name at the top. The form is divided into several sections. On the left, there are fields for 'Previous balance', 'Add this deposit', 'Subtract withdrawal', and 'Current balance'. The main section contains fields for 'Name', 'Student number', 'Branch', 'Account number', 'Teller', 'Date', 'Number of cheques', 'Notes', 'Coin', 'Cheques', and 'Total'. Seven yellow starburst callouts with numbers 1 through 7 are placed over the form to indicate specific fields: 1 (Name), 2 (Student number), 3 (Account number), 4 (Date), 5 (Notes, Coin, Cheques), 6 (Total), and 7 (Add this deposit).

Don't have a deposit book or have misplaced yours? No need to worry we can issue you with a new one.
