

Say goodbye to the dolphin pod at our Farewell Celebration!

The Big Splash WA Art Trail has been delighting the people of WA and helping to raise awareness of child and adolescent mental health since late January 2018.

We are sending the dolphins off in style at a special Farewell Celebration before they swim off to their forever homes.

The stunning Big Splash WA Art Trail dolphin pod will be joined by a number of dolphin calves painted and decorated by children throughout WA participating in The Big Splash WA Schools Program.

This will be your only chance to see all 37 dolphin sculptures in one location along with their amazing little calves.

There will also be lots of fun, family-friendly activities, entertainment, prizes and some very special photo opportunities!

Click here to book a session as tickets are limited.
