

MATHS PACKS

Borrowing Procedures

Step One — Choose the pack you would like to borrow.

K-2 or 3-6 and which focus area.

Step Two — Write your name on the laminated page attached to the maths pack. (Either your or your child's name), your child's class and the date you borrowed it.

Step Three — Unclip the bag and take it home, leaving the laminated card on the hanger.

Step Four — Have fun and play at home for a week or so. Bring it back, return it to the correct hanger and wipe off your name.

If there are any concerns, missing pieces or general feedback please fill out the little exercise book attached to the rail.
