Dear Sir/Madam,

**RE: Review of a Type A Children's Crossing**  
**HILLARYS: Flinders Avenue near Mawson Crescent**      **Loc#: 448**

On Wednesday 5<sup>th</sup> September 2018 the Children's Crossings & Road Safety Committee (CC&RSC) met and discussed the warrant for the children's crossing at the above locality.

The Committee reviewed and noted that the survey numbers currently do not meet the warrant criteria. The Committee would like the school to continue to encourage your students to use this crossing. Attached for your information and assistance are 2 brochures which provide further information regarding children's crossings. There was also a safety check conducted of the crossing and it was noted that the crossing continues to meet the Australian Standard. The crossing will continue to retain its Type A children's crossing warrant.

If you require further assistance in this matter please do not hesitate to contact the Children's Crossings Unit (CCU) on 08 – 6274 8767.

Yours sincerely

Jo Parson
