

COVID – 19 Update

Tuesday May 12

We are almost back at full attendance now; so we need everyone to show higher levels of patience and care at morning drop-off and afternoon pick-up times.

Schools are still required to manage and balance daily school operations and learning, with the COVID-19 restrictions. Please do not show frustration toward school staff as they're simply doing their job and keeping children safe and happy. Thank you.

Please continue to help us by following the guidelines below;

- Establish a regular school boundary pick-up and drop-off point for your children. Please remind your children daily
- Do not enter the school grounds – please seek support from our duty staff or call the office
- The basketball court is the pick-up and drop-off point for Pre-primary
- Please keep your children close to you if you're waiting for siblings to arrive
- The pick-up time for Kindy and Pre-primary students is 2:45 pm
- Do not socialise at the gate, school boundary or pick-up/drop-off points; please move off quickly with your children to minimise traffic congestion and maintain social distancing
- Please keep the traffic flowing in the car park - no double parking please
- Students arrive at school from 8:30 am - classroom and block doors are open from this time.

An Education Department update regarding Week 4 is expected soon; so keep a lookout for our next school COVID-19 Update. Thank you

Take care everyone

Trevor Mitchell
