Connected • Engaged • Successful

Dear Parents/Carers

This schedule will assist in calculating the anticipated voluntary contributions and additional charges for the 2027 school year.

1. VOLUNTARY CONTRIBUTIONS

Financial support provided by families through voluntary contributions and charges plays a critical role in maintaining quality teaching and learning programs and enabling the provision of an enriched curriculum and enhanced learning experiences for students.

The total amount of voluntary contributions is in accordance with the School Education Act 1999. School Voluntary Contribution for 2027 is \$60.00 per child.

Hillarys Primary School Board has endorsed the following schedule of Voluntary Contributions and Charges for 2027.

English	\$15
Maths	\$15
Technologies	\$10
Arts, Visual, Music & French	\$7
Health & Phys Ed	\$6
Humanities, Science & Sustainability	\$7
Total per student	\$60

We hope all families see the importance of paying the contribution and supporting our students' learning programs in 2027. Payments can be made direct to the school via compass. Parents have the option of paying \$15 per student per term.

P&C VOLUNTARY REQUEST

Hillarys Primary School P&C request a \$30.00 donation per student for 2027. Money received from P&C donations as well as money raised throughout the year goes towards enhancing our school grounds and some of our educational programs.

Charges must be paid prior to the planned activity. Incursions, excursions, and other optional cost activities are planned to complement and extend the educational program. These experiences are value-adding and engaging; however, they are not required for students to achieve the intended curriculum outcomes.
